RE: GONZALEZ V. HODGSON ET AL.  
C.A. No. 04-12242-NMG

Dear Mr. Greenberg,

This letter is reference to the above matter, please be inform that on Jan 2, 2005, I received a package from the Court in which a Memorandum and Order was entered by Judge N.M. Heaton, and within that order the Judge denied <sup>1)</sup> Motion to Proceed in forma pauperis, <sup>2)</sup> Motion to Amend Complaint, <sup>3)</sup> Motion to Appoint Counsel. But that a response should be filed by me within forty two (42) days, a complete Application to Proceed in forma pauperis with a certified prison balance statement.

Now I have tried on numerous occasions through a case worker and written a letter to Finance Department requesting a complete read out of my inmate prison account, also requested all documents to the exaction requirement as required through 42 U.S.C. § 1997e (a).

explaining to the administration that it is very important that I receive such information or the Honorable Court will dismiss my claim for failure to provide Prison Account Statement 28 U.S.C. § 1914; § 1915(a)(1).

The administration refuses to forward the above information and without receiving the two (2) requirements 28 U.S.C. § 1914; § 1915 PLRA 1995 and 42 U.S.C. § 1997c(a) to show that these claims are met that without showing such information then this case is subject to dismissal.

I am requesting this Honorable Court to prevent this case from being dismissed that I will need more ample time to file a proper pleading, further more I am unable to compel the administration to provide me with that information.

I am requesting ~~that~~ that such continuance be request do to the circumstances. I wait for a prompt reply

Respectfully Submitted
